

Proposed Expansion of Designated Routes for Off-Road Vehicles (ORVs)

Council wishes to provide residents easier access to the Algonquin Trail and Black Bay Road (to facilitate access to the Barron Canyon Trail System) by expanding the designated routes on rural municipal roads without sidewalks or curbing.

Council has identified five (5) rural areas with the intent to have ORV operators use the shortest most direct route to access the Algonquin Trail; from the Algonquin Trail ORV operators can access Black Bay Road. These areas are identified on the map below.

At this time, the Town of Petawawa is canvassing residents in the five (5) identified rural areas, to receive any comments or concerns they may have regarding the intention to include these areas as off-road vehicle routes.
