Mayors Message

Welcome residents and visitors to the Town of Petawawa. Our recreation guide offers a quick reference resource to season specific municipal information. If you require information about by-laws, services and programs, this resource highlights important items residents may find essential. More information is available through our website at Petawawa.ca or at our municipal office.

Our Recreation, Culture & Tourism department along with the Petawawa Public Library continue to be the foundation of our many recreational, cultural and social activities. Staff strives to provide memorable and affordable programming for every age, interest and ability. If you have any recommendations for innovative programs, events or services, please feel free to reach out to staff or members of council. Most importantly, please participate, be active and involved in the community and volunteer whenever and wherever possible. If you have children or grandchildren, please take advantage of the wide variety of programming, sports, playgrounds and wonderful natural amenities. Take part in planned events, walk or cycle our many trail systems and try our paddle activities at the Petawawa Point Beach. Your Petawawa Town Council continues to work collaboratively with residents and staff and is dedicated to providing an expanded array of recreational, cultural and event programming to keep residents of all ages engaged and active in our community.

2025 looks to be another exciting year for Petawawa as work towards the construction of four pickleball courts and improved parking behind the Civic Centre. As part of the reimagination of Kiddyland Park, the hopeful construction of a giant "PETAWAWA" letter sign along the Algonquin Trail as well as a new access road off Petawawa Boulevard as further steps in the redevelopment. Our Christmas Trail of lights is to be expanded, and the Christmas Tailgate Market will be a highlight of the festive season.

Events like The Petawawa Ramble and its popular Farm to Trail event; our Pride Festival; and the Water and Dirt Festival continue to expand to attract more visitors, promote inclusivity, and include a wider variety of events and municipalities.

Your council is looking forward to improving and expanding existing events, adding innovative, new attractions and facilities and actively participating in the growth and development of our wonderful community. Council is excited to participate alongside residents with our many new and existing programs, events and activities in the upcoming year. Thank you for helping us make Petawawa an amazing place in which to live, work and stay active. We truly are "**Dynamic by Nature**".

Mayor Gary Serviss
gserviss@petawawa.ca

PROGRAM REGISTRATION

Online : Daysmart Recreation

- Create an account online or the 'Daysmart Recreation' app. If your email is in use, click "Forgot your password" to reset it.
- In the app, search for "The Corporation of the Town of Petawawa" to log in or create an account.
- Enter your info and add family members at the bottom of the page, or later through the 'Profile' tab.
- To register: Select "Register" from the menu, choose your participant, find programs, answer prompts, and confirm to add to your cart.
- Complete your registration by checking out and paying with a credit card. You'll receive an email confirmation once payment is processed.

In Person

Visit the Recreation, Culture, and Tourism Department at 16 Civic Centre Rd to complete a paper form and pay in person (debit, cash, or cheques payable to the Town of Petawawa). Credit cards are only accepted online.

Virtual Guide

Head to the Town of Petawawa's official YouTube channel for a virtual tutorial on using Daysmart for a step by step guide!

 Public Skate 2:00 pm – 4:00 pm
 Open Skate 4:00 pm – 10:00 pm

Equity, Diversity and Inclusion

The Town of Petawawa's Equity, Diversity, and Inclusion Advisory Committee was created to support a vision of a respectful, safe, and inclusive Petawawa where everyone has equal opportunity to participate. The Committee invites you to gather, share, and celebrate with the community through the following initiatives supported by the EDI Advisory Committee:

Petawawa Pride Festival (an annual event in June celebrating community, acceptance, and diversity). Men's Healing Circle (a weekly gathering to increase mental and emotional well-being and peer support). Red Dress Day Walk (a day of action for Murdered and Missing Indigenous Women and Girls). Moose Hide Campaign (a campaign addressing gender-based violence and domestic violence).

New this year, local businesses are invited to commit to creating inclusive and more welcoming environments through a commitment to inclusion agreement and training resources made available through community partners. Participating businesses will receive an EDI Committee decal to display at their storefront as a visible signal to residents that their business values and supports inclusivity.

To learn more about any of these initiatives, please [visit the committee's website](#).

Petawawa Accessibility Advisory Committee

The Petawawa Accessibility Advisory Committee is making the holidays extra magical with two inclusive community events!

First up is Treat Accessibly, returning this Halloween to ensure trick-or-treating is fun for everyBODY. Families can pick up a FREE "Accessible Trick-or-Treating" lawn sign at Petawawa Pet Valu or Town Hall to show their support. Then, on October 31st from 5–7 PM, stop by Town Hall for barrier-free trick-or-treating, tasty goodies, a visit with Sparky the Fire Dog, and even a chance to explore the fire trucks! It's a spook-tacular evening you won't want to miss.

In December, we're bringing back the magic with Sensory Santa—a calm, sensory-friendly holiday experience designed for children with autism or sensory sensitivities. This special event offers families a warm, welcoming space where every child can enjoy meeting Santa at their own pace. Watch the Town of Petawawa's website and social media for dates and details, and join us for these joyful, inclusive celebrations of the season!

Petawawa Business Advisory Network

The Petawawa Business Advisory Network (PBAN), in collaboration with the Town of Petawawa Economic Development Department, is dedicated to championing and supporting local businesses. From helping entrepreneurs launch and expand their businesses to participating in initiatives such as the Business Retention and Expansion program, PBAN is committed to strengthening the economic fabric of our community.

One event PBAN is proud to support is the Veteran Business Vendor Expo, taking place on November 1st in the upstairs hall of the Petawawa Civic Centre.

The Veteran Business Vendor Expo event is an opportunity to celebrate veteran-owned businesses by providing a platform where they can connect directly with the residents of the Ottawa Valley. Serving and veteran members who participate in the Expo have the opportunity to sell their goods or showcase their services and share their stories. As a military community, we strive and value Canadian Armed Forces members seeking to transition to entrepreneurship.

We invite the public to shop local and join us in supporting our veteran community.

hosted at the
PETAWAWA CIVIC CENTRE
Saturday, November 1, 2025

10:00AM - 3:00PM

FEATURING CANADIAN VETERAN OWNED BUSINESSES

Petawawa OPP Detachment Board

The Petawawa OPP Detachment Board acts as a vital link between the community and the OPP, helping shape policing priorities based on local safety needs. These priorities are reflected in the OPP Action Plan, developed collaboratively by the Board and the Detachment Commander to ensure policing efforts align with what matters most to residents.

These priorities are reflected in the OPP Action Plan, developed collaboratively by the Board and the Detachment Commander to ensure policing efforts align with the needs of the community. By working together with other service providers, the Board helps promote safety and well-being across Petawawa. For timely updates on local events and incidents, follow the Petawawa OPP Detachment Board on [Facebook](#) or visit our website: petawawa.ca/psb/

Petawawa Public Library

Nestled in the heart of Petawawa, your library empowers every resident in their pursuit of education, information, entertainment, and culture. In late 2024, the Petawawa Public Library launched its updated 4-year strategic plan that builds on a strong foundation of community engagement, providing exceptional resources, and fostering a commitment to growth and innovation. In addition to a vast collection of books, your library also offers access to a wide range of unique services—including digital resources, snowshoes, museum passes, Playaways, and Provincial park passes—all available with your library card.

The Petawawa Public Library is proud to provide a diverse selection of programs designed to meet the evolving needs of our community. We are especially pleased to announce the launch of Silver Tech, our newest technology support service for seniors, made possible through grant funding from the Government of Canada's New Horizons for Seniors Program. From early literacy initiatives and teen engagement to lifelong learning opportunities and newcomer support, the library continues to serve as a dynamic community hub and welcoming space with something to offer for everyone.

Senior's Advisory Committee

Your Senior's Advisory Committee (SAC), established as a committee of council has been receiving and reviewing feedback from our 50+ community members. Our committee is supported by the staff teams within the Recreation, Culture and Tourism department and the Seniors Active Living Centre (Silver Threads Senior's Centre). We have established the following short-term goals which include:

- Conducting a review of seniors supports and services in our community with a view to developing a seniors guide which will include programs and services, volunteering opportunities and more
- Development of new and enhanced programs aimed at improving cognitive function, enhancing mental health, increasing physical activity, reducing risk factors of chronic disease, increasing independence and socialization opportunities, to name a few
- Planning for our celebration of Seniors on National Seniors Day (NSD), Wednesday Oct 01 from 8:30 a.m. – 2:00 p.m.

Our NSD event will include a combination of educational/informational booths, guest speakers and active recreational opportunities. Our guest speakers will address: Brain Health, nutrition, frauds and scams, wills and estates, dementia, reflexology, strength training and Qigong (health oriented movement which combines breathing, body-posture and meditation).

Registration commences on 15 September using event-brite and we can accommodate 100 participants on a first-come, first-served basis. There will be a complementary luncheon provided. We look forward to seeing you there!

Trails for every season

Nordic Skiing

Nordic skiing is a low-impact, full-body winter workout that's gentle on the joints and great for all ages. With trails for both classic and skate styles, it's ideal for beginners and seasoned skiers alike. Grab your gear and enjoy the snowy outdoors!

Hike

Discover a range of hiking trails in the [Terrace Provincial Park](#) or lose yourself in the stunning landscapes of [Algonquin Park](#), where adventure and natural beauty are around every corner.

Fat Biking

Fat biking uses wide-tire bikes built for snowy, sandy, or rugged terrain, making it perfect for winter adventures. These bikes offer a smooth ride on tough trails where regular bikes can't go. Bundle up, wear a helmet, and enjoy the thrill of off-road cycling!

Snowshoeing

Snowshoeing is a simple, beginner-friendly way to explore snowy landscapes while staying active. Just strap on snowshoes - available for free at the Petawawa Public Library - and head out on a trail suited to your skill level. It's a peaceful way to connect with nature in winter.

Snowmobiling

Snowmobiling in Snow Country (OFSC District 6) offers over 2,850 km of groomed trails through the scenic Canadian Shield. Maintained by local clubs, these trails are safe, well-marked, and open from mid-December to late March. It's a thrilling way to experience Ontario's winter wilderness.
