This electronic communication is a resource providing businesses and interested parties with relevant information about funding sources, events, resources, and other local municipal information.

Transportation Feasibility Study

The Town of Petawawa, in partnership with Dillon Consulting Limited is conducting a public transportation feasibility study. The goal of the feasibility study is to assess the need for a public transit system in Petawawa. Public transportation options in Petawawa currently include community transportation program with Carefor and local taxi services.

ENGAGEMENT OPPORTUNITIES

- Businesses are invited to participate in a consultation session on **Thursday, February 5th, 2026, from 2pm to 3pm at Petawawa Town Hall**, located at 1111 Victoria Street.
- Residents have the opportunity to provide feedback the day before, Wednesday, February 4th, 2026, from 4pm to 7pm in the Rotary Room at the Petawawa Public Library, located at 16 Civic Centre Road.
- [Online Survey](#) - please share with employees to complete themselves.

DATA SUGGESTS BUSINESSES WANT TO SEE TRANSIT SYSTEM

In 2025, the Town of Petawawa conducted a businesses retention and expansion (BR+E) study to better understand the wants and needs of local businesses. Of those surveyed, 42% of Petawawa Businesses listed transportation services as a community asset they would like to see developed. Data from the 2025 BR+E survey also show public transit as the lowest rated factor in Petawawa's commercial areas.
